**Please note** Do not use the post code from the above address in your SAT NAV as it will not be helpful.

Instead, type in 'Miniature Railway, Ruswarp'. This will guide you to very near the cottage, the sign for Heron Holiday cottages is just past the miniature railway, on the opposite side.

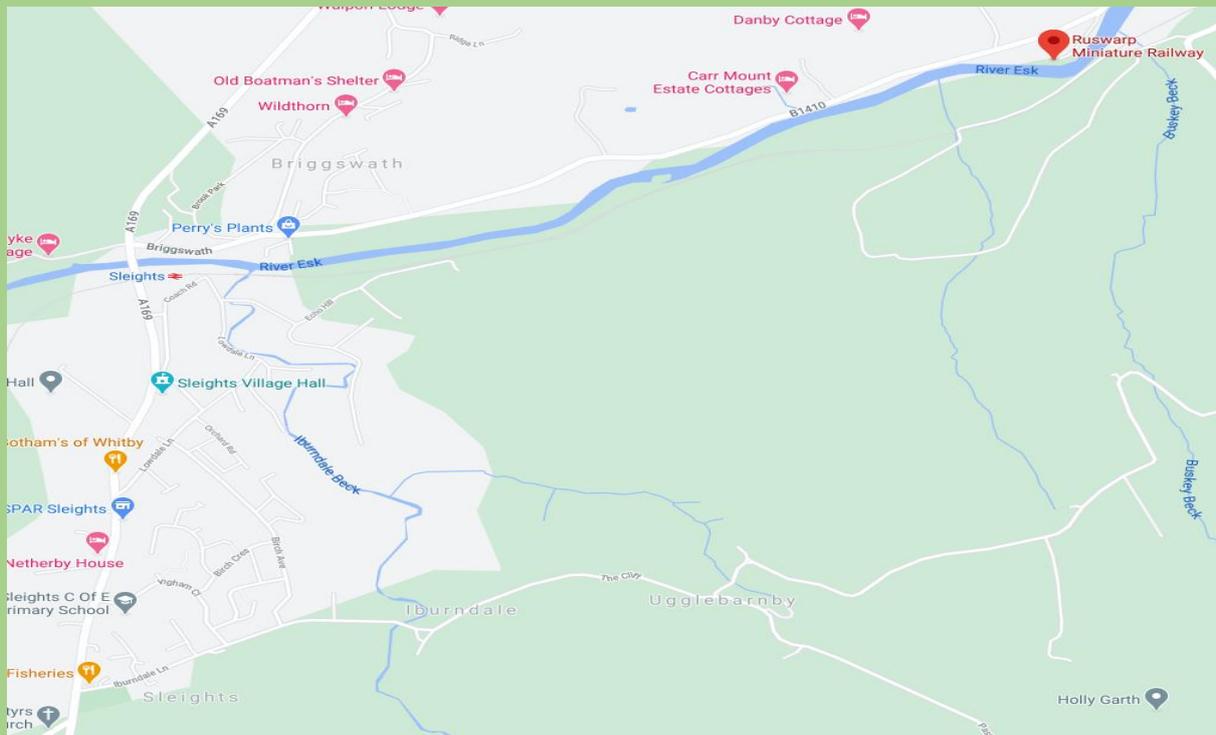

### **Directions from the A171 (Middlesbrough to Whitby road):**

Head down the A171 until you reach the outskirts of Whitby, at the roundabout with the park & ride, on your left, continue straight ahead, keeping to the right, signposted Whitby. After this you will come to a roundabout with a petrol station on your left-hand side. At the roundabout take the 3<sup>rd</sup> exit to Ruswarp / Scarborough. Follow the road for approximately 1 mile, down the steep hill into the village of Ruswarp. Once in the village take a right turn to Sleights (B1410). Drive for approximately ½ a mile until you see the miniature railway on your left-hand side, a further 100 meters further along, you will see a right-hand turn and a sign for Heron holiday cottages. Follow the track up the steep hill, following the sign for cottages and the cottage and parking is at the top.

**Directions from the A169 (Pickering to Whitby road):**

After a lovely journey over the North Yorkshire moors drop down the steep hill into the village of Sleights. Drive through sleights and continue to the bridge over the river at the bottom of the hill. As you cross the bridge turn immediately right on the B1410 to Ruswarp. Follow this road for approximately 1 mile and then look out for a sign for Heron holiday cottages on the left-hand side. Follow the track up the steep hill and the cottage & parking is at the top.

**Directions from the A171 Scarborough to Whitby road.**

Approximately two miles after passing the 'The Flask Inn at Fylingdales' the road goes down a dip and through a series of twisty corners. As you go up the other side of the dip take the left-hand turn to Ruswarp B1416. Follow the road for approximately 4 miles to the village of Ruswarp. As you cross the bridge in the village and the railway line you then need to take the left-hand turn to Sleights B1410. Drive for approximately ½ a mile until you see the miniature railway on your left-hand side, continue a further 100 meters and you will see a right-hand turn and a sign for Heron holiday cottages. Follow the track up the steep hill and the cottage and parking, is at the top.
